

Arbre ascendant 7 générations

MATHYS Virginia +1862

The chart is a horizontal tree starting from a single box on the left labeled 'MATHYS Virginia +1862'. It branches out to the right, with each generation represented by a row of boxes. The boxes are connected by vertical lines, and horizontal lines connect the boxes within each generation. The tree is symmetrical, branching out from the central line. The boxes are empty, except for the root box which contains the name and date. The chart shows a total of 7 generations of descendants.
