

Arbre ascendant 7 générations

LEPELTIER Anne

The diagram is an ancestry chart for Anne Lepeltier. It starts with a single box for Anne Lepeltier on the left. From this box, a vertical line goes up and then branches into two horizontal lines, representing her two children. Each of these children has two children of their own, and this pattern continues for three more generations, resulting in a total of 128 boxes in the seventh generation. The boxes are arranged in a tree structure, with each box representing an individual. The boxes are empty, except for the one labeled 'LEPELTIER Anne'.
