

Arbre ascendant 7 générations

BOUSANQUET Raimond

The diagram is an ancestry chart for BOUSANQUET Raimond. It shows a tree structure where each generation branches into two children. The root node is labeled 'BOUSANQUET Raimond'. The tree branches out to the right, with each generation represented by a horizontal row of boxes. The boxes are connected by vertical lines, and the connections are made using a 'step' or 'hook' style. The chart shows a total of 7 generations of descendants, with the number of individuals doubling in each generation from the root.
