

# Arbre ascendant 7 générations

**FERHAT Marie**

The diagram is an ancestry chart for FERHAT Marie. It is a tree structure where each box represents a person. The root node is FERHAT Marie. From her, the tree branches into two main lines. Each line continues to branch out, representing her parents, grandparents, and so on, up to seven generations. The boxes are arranged in a way that shows the lineage clearly, with horizontal lines connecting siblings and vertical lines connecting parents to children. The names of the individuals are not filled in, only the root node is labeled.
