

# Arbre ascendant 7 générations

VERDEL Louise °1688 +1741

The diagram is an ancestral tree starting from Louise Verdel (1688-1741) on the left. It branches out to the right, showing 7 generations of descendants. Each generation is represented by a horizontal row of boxes. The boxes are connected by vertical lines, indicating the lineage. The tree is symmetrical, with each individual in one generation having two children in the next. The boxes are empty, suggesting that the names and other details of the descendants are yet to be filled in. The root node is a box containing the name 'VERDEL Louise °1688 +1741'. The tree branches out to the right, showing 7 generations of descendants. Each generation is represented by a horizontal row of boxes. The boxes are connected by vertical lines, indicating the lineage. The tree is symmetrical, with each individual in one generation having two children in the next. The boxes are empty, suggesting that the names and other details of the descendants are yet to be filled in.
