

Arbre ascendant 7 générations

HELBO Caroline-Aug.

The diagram is an ancestry chart for HELBO Caroline-Aug. It shows a tree structure where each individual in a generation has two children in the next generation. The chart is organized into 7 generations, with the root node being HELBO Caroline-Aug. The nodes are represented by rectangular boxes, and the connections are shown by lines. The chart is oriented vertically, with the root at the top and the descendants at the bottom. The nodes are arranged in a staggered pattern, with each generation having more nodes than the previous one. The chart is a simple line drawing with no text or images inside the boxes.
