

Arbre ascendant 7 générations

DELECLUSE Albert

The diagram is an ancestry chart for Albert DELECLUSE. It is a tree structure where the root node is Albert DELECLUSE. From this root, the tree branches out into two main paths. Each path continues to branch out, representing the lineage of each child. The chart shows 7 generations of descendants. The nodes are represented by rectangular boxes, and the connections are shown by lines. The chart is oriented vertically, with the root at the top and the descendants at the bottom. The name 'DELECLUSE Albert' is written in blue text within the root box.
