

Arbre ascendant 7 générations

GUEVART Lucien

The diagram is an ancestry chart for GUEVART Lucien. It shows a tree structure where each generation branches into two children. The root node is GUEVART Lucien. The tree branches out to the right, with each generation represented by a horizontal row of boxes. The boxes are connected by vertical lines, and the connections are made using a 'step' or 'L-shaped' pattern. The chart shows 7 generations of descendants, with the number of individuals doubling in each generation. The boxes are empty, suggesting a template for recording names and dates.
