

Arbre ascendant 7 générations

Metricher Marie

The diagram is an ancestry chart for Metricher Marie. It shows a tree structure where each individual in a generation has two children in the next generation. The chart is organized into 7 generations, with the root being Metricher Marie. The tree branches out to the right, with each node represented by a rectangular box. The boxes are arranged in a way that shows the lineage of each individual. The chart is a simple line drawing with no text inside the boxes, except for the root node which is labeled 'Metricher Marie'.
