PAILLERON Maria

The diagram is an ancestry chart for Maria Pailleron. It starts with a single box labeled 'PAILLERON Maria' on the left. From this box, a vertical line goes up and then branches into two horizontal lines, representing her children. Each of these children has two children of their own, and this pattern continues for three more generations, resulting in a total of 128 boxes in the seventh generation. The boxes are arranged in a tree structure, with each generation having twice as many boxes as the previous one. The boxes are empty, except for the root box which contains the name 'PAILLERON Maria'.
