

Arbre ascendant 7 générations

BALLAY Marguerite

The diagram is an ancestry chart for BALLAY Marguerite. It is a tree structure where the root node is BALLAY Marguerite. From this root, the tree branches out into two main paths. Each path continues to branch out, creating a total of 128 leaf nodes at the 7th generation. The nodes are represented by rectangular boxes, and the connections are shown as lines. The chart is organized into 7 vertical columns, representing the generations from the root to the final descendants. The root node is on the far left, and the descendants are on the far right. The chart is a simple line drawing with no text or images inside the boxes.
