

Arbre ascendant 7 générations

PAULEAU Delphine

The diagram is an ancestry chart for PAULEAU Delphine, showing her lineage over seven generations. The chart is structured as follows:

- Generation 7 (Root):** PAULEAU Delphine
- Generation 6:** Two children of Delphine.
- Generation 5:** Four children of the two individuals in Generation 6.
- Generation 4:** Eight children of the four individuals in Generation 5.
- Generation 3:** Sixteen children of the eight individuals in Generation 4.
- Generation 2:** Thirty-two children of the sixteen individuals in Generation 3.
- Generation 1:** Sixty-four children of the thirty-two individuals in Generation 2.

The chart uses a branching structure to show the descent from the root. Each individual is represented by a rectangular box, and the connections between them are shown by lines. The chart is oriented vertically, with the root at the top and the descendants at the bottom.
