

Arbre ascendant 7 générations

CHENEVIE Marie

The diagram is an ancestry chart for CHENEVIE Marie. It is a tree structure where each box represents a person. The root node is CHENEVIE Marie. From her, the tree branches out into two main lines. Each line continues to branch out, representing her parents, grandparents, and so on, up to seven generations. The boxes are arranged in a way that shows the lineage clearly, with horizontal lines connecting siblings and vertical lines connecting parents to children. The chart is a standard pedigree chart, showing the descent from the root individual through seven generations.
